

**This Holiday Season, BTTC is participating in the
Interfaith Coalition's**

Holiday Joy Sponsor Program

We have been given 3 families in need and their gift requests. Participating families currently live at Interfaith Family Housing, in other emergency transitional shelters, or are still on a waiting list for housing.

Each tag on the wall at the front desk represents one of these family members and their gift request. You may take as few or as many tags as you like!

Thank you for participating in this program and sharing the blessings of this season with a family at risk in our community!
